Michael Nelson
SC of Nevada

Dear Michael,

U.S. Figure Skating is proud to recognize and congratulate you, along with the SC of Nevada, for achieving the Plus 10 membership recognition award given for registering 10 or more introductory members into your club during the 2015-16 membership year.

The introductory membership category has been successful due to the efforts of clubs like yours who have utilized this membership category to attract new members into your organization. It is your creativity, dedication and effort that make us successful. We applaud you and the members of your club for a job well done!

We would like thank the SC of Nevada for utilizing this membership category and for attracting new full members. As a token of our appreciation, please find enclosed a certificate recognizing the SC of Nevada for this honor.

To help show our appreciation, U.S. Figure Skating gave all delegates representing Plus 10 clubs a special red lanyard to wear at the most recent Governing Council held in Columbus, Ohio. Since, according to our records, your club did not send a delegate, enclosed you will also find your lanyard.

We want to thank you again for your continued commitment and support of U.S. Figure Skating. Please accept our apologies for not getting this letter, lanyard and certificate to you once the season concluded.

Best of luck to you and your club for a successful season in 2016-17!

Congratulations,
