

2022 Sponsorship Program

As a friend and valued member of our Las Vegas community, we are asking you to consider supporting the youth of the Las Vegas Ice Theatre. Las Vegas Ice Theatre is the nationally competitive team of figure skaters representing the Skating Club of Nevada. The Skating Club of Nevada is a non-profit organization (Tax ID 88-0393701) made up entirely of volunteers whose main goal is to encourage and support our hardworking, dedicated figure skaters in the Las Vegas area. For over 20 years, the Skating Club of Nevada has helped skaters of all ages in our community to develop and hone their skating skills; giving them financial support, a safe and caring environment to train in, and events and activities to help them pursue their skating goals.

Each year, members of the Skating Club of Nevada audition for a spot on the Nationally competitive team – *Las Vegas Ice Theatre*. In 2019, as a first-year team, they placed 4th out of 22 teams from across the nation in their division. Most recently, they won the 2021 National Theatre on Ice Virtual Challenge. This year, the team is comprised of 14 youth ages 8-18 that are on the ice every Saturday morning at 6:00am. They have their sights set on a National Gold Medal and they need your help!

Donations to the team help to offset the costs for props, costumes, ice time, coaching fees, and the large expense of traveling to Theatre on Ice Nationals which will be held in Wichita, Kansas this June! Any contributions made to the team will not go unnoticed! We welcome and appreciate ANY contributions and appreciate your support!!

Help Our Skaters Reach Their Dreams

Being on the Las Vegas Ice Theatre team can be an incredibly rewarding experience for skaters. They have worked extremely hard to reach the level of skating needed to audition for the team, and then have to work even harder to become a unified group. The cost of training, clothing, equipment, ice time, coaching, props, and costumes can be a huge financial burden. With your help, we can off set this burden for the dedicated families and youth on our team!

We welcome any and all support, and thank you for your contributions!!
